# Corporate Social Responsibility (CSR) Initiatives

## ● Our Customers

We aim to build long term relationships with all our customers and other stakeholders by understanding their objectives as they evolve over time and meeting their needs. We aim to give fair value, consistent quality and reliability. We aim to have the highest professional and ethical standards.

## ● Our Suppliers

We aim to create and maintain strong relationships with key suppliers and contractors. We aim to choose suppliers that share our ethos in relation to employment practices, quality and environmental controls.

# Compliance Health & Safety

## ● Our Health and Safety

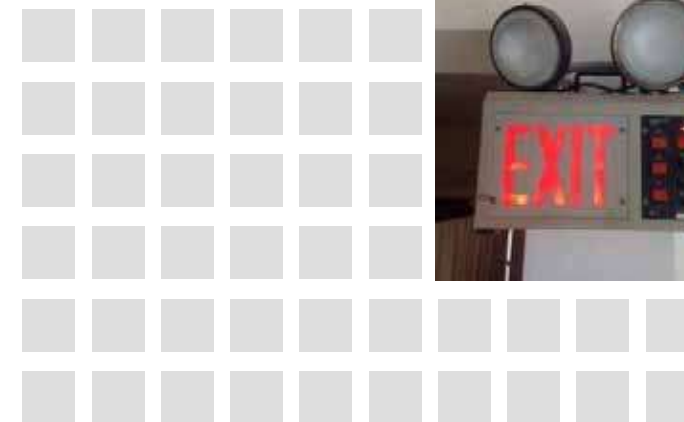

We aim to achieve and maintain the highest standards of health and safety and provide a safe and healthy working environment for all of our activities.

## ● Our Environment

We have implemented an environmental policy appropriate to our business. We are aware of our environmental impact as a business and have taken and continue to take appropriate steps to mitigate that impact.

## ● Our Community

We recognise and understand the significance of the local community within which we operate. We aim to enhance our contribution to the community by being sensitive to the needs of local people and groups and promoting ethical and socially responsible trading and manufacturing.
